HOTEL, ST-IMIER

HOTA HOTEL SAINT-IMIER

Hota Hotel Saint-Imier is a modern establishment offering comfortable accommodation with 48 diverse rooms. Room options include 35 'Classic' rooms suitable for business and leisure travellers, 7 'Prestige' rooms with extra facilities such as minibar, coffee machine and balcony, 4 'Junior Suites', and 2 unique family rooms. All rooms are equipped with air conditioning, 4K TV with Chromecast, and free Wi-Fi, ensuring a pleasant and connected stay.

The hotel emphasizes an exceptional breakfast experience with local products and also offers facilities such as a sauna, a bar, a lounge, and a terrace in a public park. Additionally, the hotel stands out for its commitment to sustainability, having achieved the Swisstainable Level II – Engaged label. It also plays an active role in promoting the region by adhering to the Parc Chasseral label and serving as a tourist information point for the Grand Chasseral.

Ideally located just 50 meters from the train station and 150 meters from the market square, the Hota Hotel Saint-Imier is perfect for both tourist and business stays. It has two meeting rooms that can accommodate up to 35 people and offers comprehensive packages including accommodation, breakfast, seminars, and catering services. This privileged setting allows visitors to enjoy many local activities, including culinary experiences and bike excursions, highlighting the hotel's versatility and appeal to a diverse clientele.
