MUSICÔVIGNES FESTIVAL

In the heart of the vineyards of Cressier, in the orchard of Cave des Lauriers and just steps from the château, musicÔvignes offers a unique musical experience in an exceptional natural setting. Between the Château stage, featuring intimate and immersive concerts, and the Vines stage, showcasing emerging artists and DJ sets, the festival presents a rich and diverse program. More than just a music event, it is a true moment of conviviality, with relaxation areas, tastings of local products and a selection of gourmet food trucks.
