LUNAX – WORKSHOP FÜR FOTOGRAF:INNEN: KOLLEKTIVE PRAXIS UND DARSTELLUNG DES KLIMAWANDELS

As part of the Bieler Fototage, the Photoforum Pasquart welcomes the collective LUNAX, a Swiss photographic agency specializing in collective approaches and exhibition projects.
On this occasion, LUNAX opens the doors to its practice: during a participatory workshop, participants explore the challenges of curation and experience creating a collective exhibition. How do you choose your images? What does it mean to work as part of a collective? How do you depict climate change?
