TRADITION, MARKET, CRAFT, TRAVERS

TRAVERS CHRISTMAS MARKET

Christmas magic comes to Travers with a market celebrating togetherness and solidarity. Between Rue du Temple and the Foyer de la Colombière, local artisans and makers showcase their creations and plenty of gift ideas. Enjoy light refreshments and hot drinks in a warm and welcoming atmosphere. The event supports Les Briques à l'Hosto, an association that brightens the days of children in hospital through playful activities with building bricks.
