TOURIST TRANSPORT

TGV

"At last, those who have been impatiently waiting for the TGV will be pleased. For the inhabitants of Boncourt, a trip to Paris is just as short as a trip to Lausanne. 2 hours 45 minutes, and you are in the City of Lights. This means that you can stroll along the Champs Elysées and do some shopping during the day and be back home at night. Great!"

Nina

GOOD TO KNOW

- Travelers arriving by TGV to the train station of Belfort-Montbéliard and wishing to continue to Porrentruy can take a bus from the new TGV station to the train station of Delle. From Delle by taxi to the Boncourt railway station. Then by SBB to Porrentruy, St-Ursanne or Delémont.
