FRANCHES EQUI TRAIL

More than 500 riders meet at the Marché-Concours in Saignelégier. Equipped with a map, they take off on a 25 km ride through the magnificent landscapes of the Franches Montagnes. Meanwhile they have to answer questions, overcome obstacles, and play games which at times are quite fanciful. All this happens in a convivial and very relaxed atmosphere.

OPENING HOURS

The 19 Oct 2024

GOOD TO KNOW

- The public can participate at the start as well as in some of the tests.
- Worth watching: hundreds of horses in full action!
