SKI & SNOWBOARD, LES BREULEUX

LES BREULEUX SKI LIFT

"When Iwas at primary school, we used to go on an annual outing to the ski lift in Les Breuleux to enjoy the snow and the winter atmosphere. While some of the class went skiing, the others used to go down the bobsled run. We had no trouble getting back up as the ski lift pulled us to the top of the run. We spent the whole day having great fun and racing with our friends. Of course we had a break for lunch at the snack bar right by the bottom of the runs. We would always end the day with a snowball fight."
