DIXIEME | DECO (BE), MAARVN & NAVAM

As the year comes to a close, DIXIEME is back for one last time to celebrate music, connection and everything we've built together.

This will be the final event of the year, a moment to let go, dance and share the energy that defines our community. Expect powerful sounds, a unique atmosphere and the unmistakable DIXIEME spirit.

Headlining the night is Deco, one of Belgium's most exciting rising talents in afro & melodic house. With soulful grooves, immersive rhythms and support from artists like Keinemusik and Adriatique, he's been making waves from Ghent to hotspots like Ibiza and Marbella and now he's bringing that energy to Neuchâtel.

Supporting him, Maarvn and NAVAM will complete the lineup with their signature sounds.
