30 YEARS ATOMIC CAFÉ PART. II: ELY TINA + RAGE BONBON

20:00 Ely Tina, a 20-year-old artist from Biel/Bienne with a lifelong passion for music, explores her creativity through piano and vocals, composing her own songs. On stage, she is joined by three musicians—Simon on bass, Colin on piano, and Adrien on drums—creating a unique harmony together. Her musical style, drawing from Soul, Neo-Soul, R&B, and Jazz, defies easy categorization yet transports listeners into a captivating world. Her lyrics, often introspective and poetic, resonate with touching sincerity, while her rhythms invite both dancing and daydreaming.

21:00 Rage Bonbon is a post-punk duo from Biel/Bienne. Julien Baumann (vocals, guitar) and Lucas Dubuis (guitar) play on a DIY backing track made of lo-fi synths and synthetic drums. Sounds energetic with a touch of melancholy, like a handful of bittersweet bonbons.
