

GOLF, MOUTIER

GOLF INDOOR

"Standing with my body at a right angle to the screen, knees slightly bent, I raised my golf club, focusing on the ball before hitting it off into the screen. One, two, three times... I quickly got the hang of the movement and time flew by. Without a golf club or ball, just as I had come, I left the Golf Indoor of Moutier enriched by a new unique experience, thrilled that I had discovered this sport and spent such an enjoyable time with friends. I will no doubt return in all weathers!"
