

BARS, BIEL/BIENNE

LE SINGE

With “Le Singe”, Biel has a concert club in its old town which is now well-known right across the region. A high-calibre live programme is offered from September to the end of May. This consists of world music, black music, jazz, singer/songwriters, rock and pop. There is an open mike session on every last Sunday of the month, where you can enjoy spoken word, slam poetry and cabaret. And parties such as “we love the 80s”, “Funky Sensation” and “Late Night” after concerts are not to be missed. The stylishly designed club with its warm lighting invites you to linger awhile.
