

VACATION APARTMENTS, DELÉMONT

VILLA VORBOURG 15

Vorbourg 15 offers you a change of scenery. Here, you are free from the constraints of modern life.

The villa offers large living spaces, individually designed rooms, and views of nature and the old town. Once you enter the premises, you will feel the spirit of hospitality and openness. The swimming pool, park and outdoor facilities guarantee relaxation and tranquillity in a pristine setting. Plenty of space for you, your family and your friends. From here, you can stroll through the old town of Delémont and easily reach all its amenities, restaurants, theatres and cinemas. The Franches-Montagnes and other regions of the Jura can be explored as far as Basel and neighbouring France. The proximity thus allows for a beautiful journey.

When you return from your outing, you can continue the experience with reading, music, games, lively discussions and a meal around a big table at home.

Above the ground floor, dedicated to common areas, are two floors with rooms. A sweeping staircase serves as the backbone of the complex. Each of the seven rooms has a personalised décor, mixing family and contemporary furniture. They are all very spacious and include sitting and/or study areas. The bedding is fresh and of high quality. A magnificent suite occupies part of the first floor.

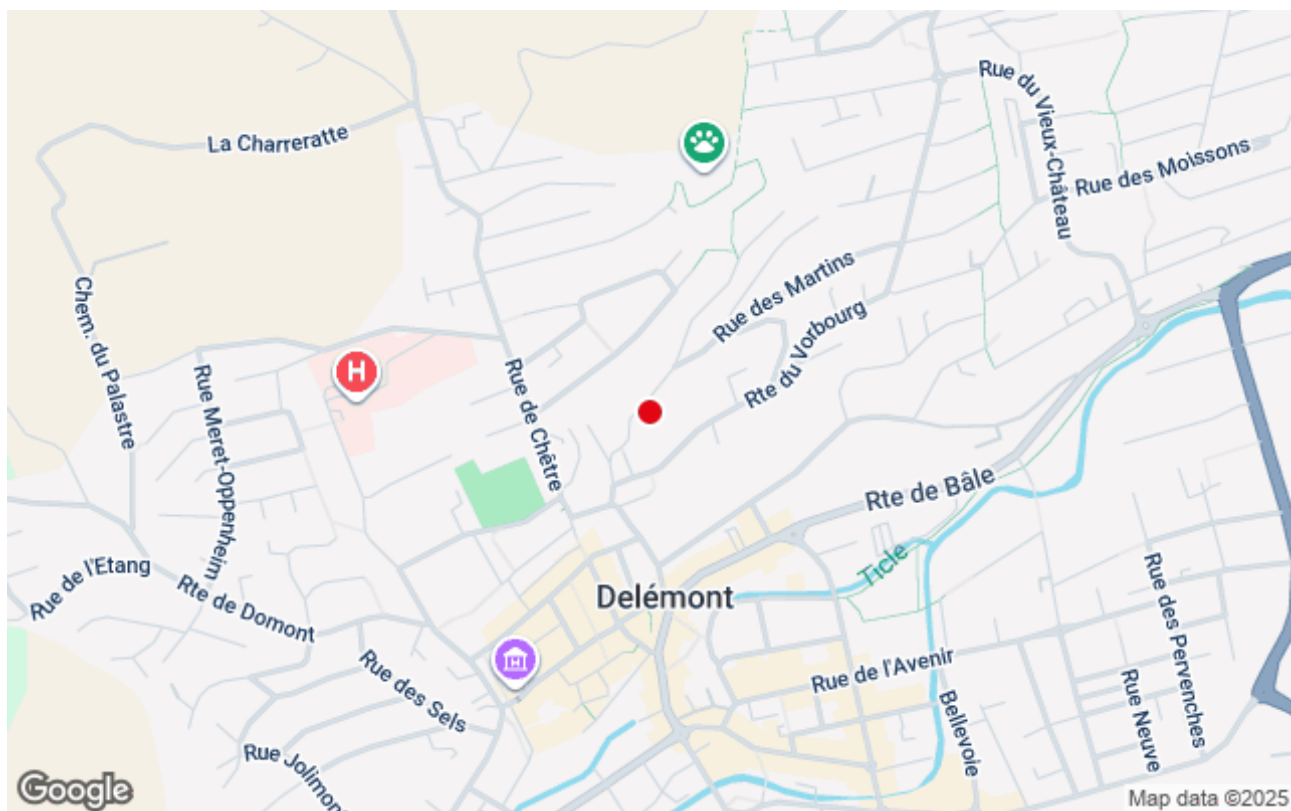

Numerous sports and cultural activities are on offer in the region. We will be glad to advise you. With the Jura-Pass, make the most of free public transport and get reductions on a range of activities in the region.
