BED & BREAKFAST, BELLERIVE

B&B - SWISS BORZOÏ HOUSE

Featuring free WiFi, an outdoor hot tub, a small terrace and a large garden, Swiss Borzoi House offers accommodation on top of the Vully hill in Bellerive and a stunning panoramic view on the Alps, the lake Murten and the plain.

The property on top of the Vully amidst the vineyards is ideally situated in the little village of Bellerive between the lakes Murten, Neuchâtel and Bienne. Surrounded by a park of over 2000 m2 with old trees, bamboos, rhododendrons and an outdoor spa heated throughout the year, the property offers a stunning panoramic view on the Alps, the lake Murten and the plain. This pittoresque area with a fair number of gourmet restaurants nearby invites guests to enfoy life spending their time in a clam, relaxing atmosphere with fine food, wine tasting and outdoor activities.

Swiss Borzoï House welcomes guests to Cherry Tree (guest room with separate Italian shower and private terrace) and the Borzoï Suite (loft-like flat with bedroom, kitchen, dining-livingroom, sep. Italian shower & terrace in front).
Private parking, breakfast, TV/WIFI, cleaning and the use of the spa are included. Three gentle Borzois are the friendly ambassadors of Swiss Borzoï House, happy to welcome our guests and their dogs. They like people and children, but remain discrete.
