

BED & BREAKFAST, MORAT-MEYRIEZ

GLAMPING VIEUX MANOIR

For an extraspecial experience, stay in the comfortable lakeside room, perched high up amongst the branches. Encircled by the reflective glass of the tall sliding windows, enjoy the luxuriously appointed accommodation and spectacular panoramic views of both lake and foliage.

The whole exterior of this luxury tree house is made up of a reflective golden coating, similar to a cut diamond. The interior décor is centered on quality materials such as leather, linen, wood, brass and glass. It provides a combination of elegance and modern design with all the luxury amenities you would need and more.
