

FUN & ADVENTURE, NEUCHÂTEL

MISSION ASTROPHONE ESCAPE GAME

In this "reverse" Escape Game, an extremely important task awaits you! Instead of escaping from a closed room, you have to face the challenge of entering former telephone booths that have been completely transformed in order to collect a series of clues that are crucial to saving the city. With Mission Astrophone, you'll discover Neuchâtel in a whole new way, challenging your team spirit and powers of deduction. An exciting Escape Game that you can experience 7 days a week in a group, with family, with friends or as a team-building outing.
