FUN & ADVENTURE, PORRENTRUY

WSPORT - TROTT'AJOIE

Although the region is quite hilly, the suggested routes are for the most part suitable for children aged 8 and over.

Explore Porrentruy and its surroundings on a scooter, there are several routes available! Although the region is quite hilly, the suggested routes are for the most part suitable for children aged 8 and over. The youngest ones will benefit from their parents' good physical condition and cover the distance on their parents' scooter!

To be selected when booking:

Route no. 1 - Fahy - Porrentruy.
Ideal route for families!
Ride on gently undulating paths across the plains. Very easy, no special skills required.
2 hrs, 15 km.

Route no. 2 - Les Malettes - Porrentruy
The tour consists of descents, even sections and minor climbs. You ride on hilly paths across the plains. A leisurely discovery of the landscapes of the Ajoie.
2 h 15 min, 15 km.

Route n. 3 - Montvoie ski lift - Porrentruy
This tour varies between descents, even sections and ascents. You ride on uneven paths in the lower mountains, forests and plains. Partly physically demanding route with fast sections.
2 h 45 min, 20 or 25 km.

Route no. 4 - Roche-d'Or - Porrentruy.
A route that can be completed in two days. Uphill and downhill sections, only suitable for experienced participants.
4 hrs, 25 km
