

GASTRONOMY, TASTINGS, CHARMOILLE

FESTIVAL OF THE DAMASSINE AOP

This year, the event takes the form of a gourmet walk passing through the villages of Charmoille, Pleujouse and Fregiécourt. The 1 August brunch is taking a new direction, transforming into a culinary stroll. Visitors will have the chance to explore the Damassine AOP from every angle and sample products made from red damasson plums, as well as other local delicacies.

Upon arrival, a market selling local products, a food festival where visitors can sample delicacies prepared by local artisans, musical entertainment, an awards ceremony for producers, tastings of Damassine PDO, and other activities will be organised.
