GUIDED CITY TOUR, NEUCHÂTEL

CHOCOLATE STORIES ALONG THE SERRIÈRE

During an exciting visit, you will learn interesting facts about the history and activities around the deep gorge dug by the Serrière to the west of the city of Neuchâtel. A place filled with the scent of chocolate since the 19th century when many factories settled and left a lasting mark on its built heritage. Come and discover the richness of this unusual valley thanks to the anecdotes of a passionate guide.
