ERLACH LAKESIDE BEACH

Erlach's lakeside beach is a popular spot to make the most of summer days. Located right on the shores of Lake Biel, it offers a spacious grassy area for relaxing, playing or barbecuing. Families appreciate the playground, while sporty visitors enjoy the beach volleyball court. Those wishing to explore the lake from the water can rent a stand up paddle or a pedalo on site. The gently sloping shoreline provides safe swimming conditions – even for younger children. Whether with friends, family or a group, this beach is the perfect place to unwind by the lake.
