

MARKET, LE SENTIER

LE SENTIER DE NOËL

Every winter, the Vallée de Joux lights up to welcome Le Sentier de Noël, a unique market combining tradition, craftsmanship and festive spirit.

For a whole weekend, the village is transformed into a truly enchanted world: more than 30 chalets invite you to stroll among local creations, regional products and a thousand gift ideas.

Under the glow of fairy lights and the scent of mulled wine, the atmosphere is convivial. The two-storey canteen offers a warm space to enjoy a fondue or share a meal with friends.

Young and old alike will find something to enjoy thanks to the many activities on offer: creative workshops, music, storytelling and, of course, the long-awaited visit from Father Christmas!

Supported by numerous partners and volunteers, the Christmas Trail is above all a story of passion and community. It is a time for meeting, sharing and magic, which brings a sparkle to the eyes of all who discover it.

Come and experience the magic of the Christmas Trail in the Vallée de Joux — an unmissable event for immersing yourself in the festive spirit !
