CULTURE

TERRAIN GURZELEN

After Biel's Gurzelen football stadium was replaced by the new Tissot Arena in 2017, the former football stadium offers a temporary home to projects of all kinds. A free space for creativity, culture and sport, a meeting place for the neighbourhood and open to all and sundry.

The Gurzelen site is close to the Cité du Temps and offers an exciting contrast to the modern complex of the Swatch headquarters.

GOOD TO KNOW

- Children's construction site
- Buvette GURZ (in summer)
- Open wood craft room
- lawn tennis
- vegetable garden
- skate park
- and much more
