THE VULLY TART

Recipe for 4 tarts:

Dough:

- 1 kg flour
- 1 large pinch of salt
- 15 g fresh yeast, mixed in a little warm water.
- 70 g unsalted butter
- 0,8 l milk
- 15 g bacon
- 1 egg, lightly beaten.

Filling:

- 400 g sugar (cubes), coarsely ground
- 1,5 dl single cream
- 1 egg yolk
- 150 g unsalted butter

Add the flour, yeast, melted butter and 1/3 of the milk to a bowl. Knead together, gradually incorporating the lard and egg, until the dough is light and airy (approx. 20 min.). Roll out the dough and place into greased baking tins. Leave the dough to proof (approx. 1 hour) in a warm place. Prick the sides with a fork. Make shallow holes using your fingers (use a rolling pin to stretch the holes into lozenge shapes). Place pieces of butter into the holes/lozenges. Pour the cream and egg mixture over the top. Sprinkle evenly with the coarsely ground sugar. Bake in a hot oven (300°) for 8 -10 minutes.

Enjoy it without moderation with a glass of Traminer from the Vully.
