THE SUN, OUR STAR

Thanks to a specific instrument, it will be possible to observe the Sun in complete safety. Indeed, the observation of the Sun is a very dangerous activity if it is not done with dedicated observation instruments. The observatory of Mont-Soleil is equipped with this kind of instrument and the guide will guarantee you this observation in the best conditions.

You will have the opportunity to learn everything you ever wanted to know about our star, the Sun.

In case of bad weather, information and a live commented virtual visit of the Sun will be proposed to you thanks to the last generation digital planetarium.
