THEATERS & CINEMAS, PORRENTRUY

CENTRE CULTUREL DU DISTRICT DE PORRENTRUY

The activities of the CCDP are varied. In particular, it offers a cultural season with theatre, humour, music, dance, midi-theatre, performances for young audiences and numerous other events on the programme, which is aimed at all sections of the population. The CCDP has three halls for its events: the historic "Inter", the Hospitalières and the Seminar. The CCDP also coordinates the cross-border Conte & Compagnies festival and organises the Passeport-Vacances holiday pass in the Ajoie.

The CCDP is also a professional contact point that makes its skills and tools available to socio-cultural organisers in the region. Its objectives are to coordinate, organise, provide administrative support and promote the activities of these organisations. It is also integrated into a network of partners at local, cantonal, interjurassic and cross-border level. This outreach enables it to fully showcase the socio-cultural and artistic richness of our region.
