ORGANIC VEGETABLE DAY IN THE SEELAND

You can look forward to an experience for young and old alike, offering a new and undiscovered perspective on the Seeland region, once again highlighting sustainability and regionality.

Free Hot Air Balloon Ride

Discover the Seeland from above with a free hot air balloon ride. Enjoy a unique view over the Grand Marais – an unforgettable experience above the organic vegetable fields!

Veggie Safari

An adventure for kids: with a special safari wristband, children explore five exciting activity stations, including face painting, pony rides and mini hot air balloons. A puzzle booklet guides them on their journey through the vegetable fields.

Book the Veggie Safarihere.

Art by Lowrider

Watch street artist Serge Lowrider create a unique live artwork in the vegetable fields using A0 posters from past Murten Tourismus events.

Hands-On Activities

Get involved and experience organic farming up close. Our partner farms invite you to plant, harvest and try it all out for yourself.
