FUN & ADVENTURE, SELZACH

FUNRANGE

Surrounded by the Jura mountain range, the Funrange is idyllically situated in a farm settlement in Selzach. In addition to growing pumpkins and cut flowers, the Besançon-Ramseyer family specialises in keeping alpacas. Alpacas are known as cosy four-legged friends with a calm character. Hike with the alpacas at a leisurely pace to a nature reserve. At a cosy stream or fountain, you can enjoy a culinary snack and take souvenir photos. In between, the alpacas like to nibble on a tuft of grass, bathe, lie down on the path or roll around. So make sure you allow enough time.

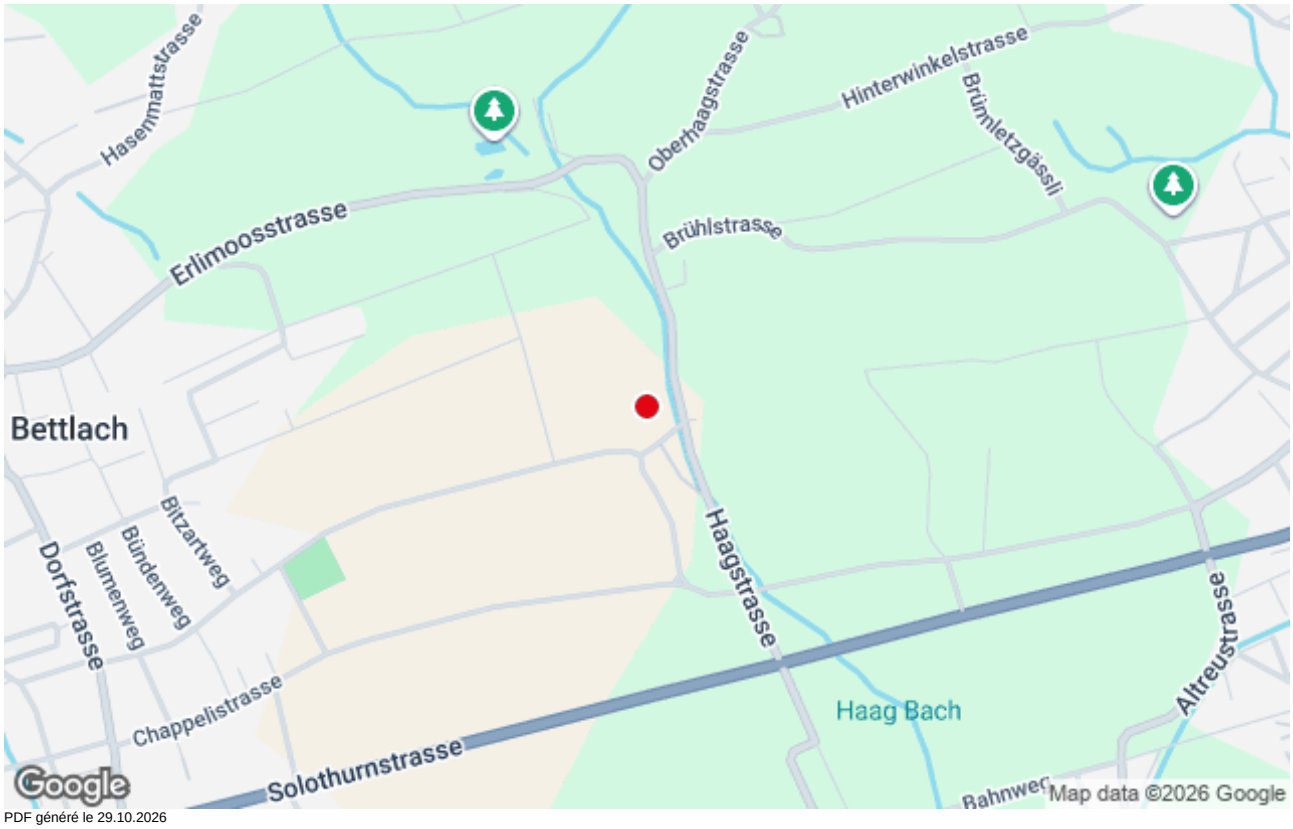

GOOD TO KNOW

- Alpaca walks along the southern foot of the Jura, for families with children aged 3 and over (not suitable for pushchairs).
- Groups, children's birthday parties on request.
- From September to Oktober: pumpkins park with pumpkins shop
- Flowers: from spring self-pick flower field with a well-tended, high-quality and varied assortment of cut flowers.
