

FESTIVITY, FESTIVAL, LA NEUVEVILLE

# LA ZONE PIÉTONNE

From May to August 2025, the Zone Piétonne will be taking to the Place de la Liberté with a programme featuring a variety of music styles, from pop to reggae. Eight dates have been selected, with some of the region's top names set to liven up the cobbled streets of the old town before finishing the year in Saint-Joux.

The summer festival is also about getting together, sharing and having a great time in a beautiful summer with the rhythms of soul, folk, pop and more.

Find the programme in PDF format.
