Welcome to the Gîte du Peuch' in Le Peuchapatte, the highest village in the canton of Jura (1131 m).

Lucía and Romain Vuillaume welcome you to their typical Franches-Montagnes farm with two lovely new flats with private entrance and garden.

The 60 m<sup>2</sup> flat "Agritourism" can accommodate up to 3 people. It is equipped with all modern comforts and is accessible for people with reduced mobility. Possibility to book breakfast for 15.- per person.

As a little surprise, you can watch our horses or yours through the living room window, as 8 boxes are available for riders (30 CHF per box per night), and relax in the evening in the outdoor jacuzzi under the stars.

The flat "Les Jonquilles" extends over two floors with a total area of 100 m<sup>2</sup>, is also fully equipped and can accommodate up to 6 people.

The location is very quiet, right next to the riding and cycling trails as well as the cross-country skiing track.

Saignelégier is 10 minutes away by car, La Chaux-de-Fonds 20 minutes, Biel 30 minutes and Delémont 40 minutes.

Thanks to the Jura-Pass, you will benefit from free public transport and discounts on many activities in the region!
