LA PILE CLIMBING GYM

La Pile is a bouldering gym with a bar and restaurant created by 4 climbing friends. The project began by a happy coincidence, when on the mats at the foot of the boulders, the service provider discovered the premises at Village 48. The project began in June 2020 and culminated in the opening of the venue in November 2022.

La Pile is a convivial place for everyone. The venue includes a children's play area (up to 70 children in the structure), a bar, a restaurant, a climbing wall (650m2 of climbing surface), a KilterBoard, and a stretching/training area.

La Pile regularly organises events, in particular bouldering contests with festive evenings, which are very popular with its clientele, but also with non-climbers. Indeed, at La Pile it's possible to have a good time, even if you're not a climber.

Birthday parties for children aged 6 and over can be organised on request, on Wednesday and Saturday afternoons. Discovery courses are available for both adults and children.
