OPEN-AIR FLEA MARKET

During a weekend, the medieval streets of Estavayer-le-Lac transform into an open-air flea market. With over 80 stands, antique dealers and brokers share their common passion in the heart of the city. Antiques, vinyls, trinkets, books or jewellery, everything is there to get the best deals!

If hunting makes you thirsty and hungry, no problem, the local stands, bars and restaurants are there to bring your strength back.

The route of the Little Train will be adjusted during the event. However, the city centre, Château and Nouvelle Plage stops will be served at the same times as usual.
