# CELTIC VILLAGE

Echoing the "Between two waters. La Tène, lieu de mémoire" exhibition, this activity area invites children and adults alike to try out gestures from the past and share their knowledge of Celtic craftsmanship. Situated on the water's edge, the Celtic Village is also a friendly place to meet and talk about archaeology.

Depending on the day, the programme includes clay-working, Celtic jewellery-making, palisade-building, Celtic art discovery and an introduction to the mysteries of blacksmithing.
