# PUMPTRACK OF COURT

The Court Pumptrack course is located in the Virelore sports activities area. The project was developed by the Montoz mountain bike club, which wanted to create a track for mountain biking and BMX.

The development work was completed in 2015. In 2016, the surface of the track was modified by adding a layer of asphalt.

The course has a surface area of 240 square metres.

Open to all mountain bikers and BMX riders, the facility can also be used by scooters and rollerbladers.

## GOOD TO KNOW

- The Virelore sports area includes a playground, multi-sports pitch, pumptrack and 2 football pitches.
