CONCERTS, MUSIC, JURA

FESTIVAL DU JURA

Encounter with different forms of artistic expression, music, literature and painting. Encounter of different musical styles on a journey ranging from traditional Balkan music to jazz and classical music. After such a long period of restrictions, not least an encounter between the audience and the artists over a glass of wine after each concert. Encounter with Swiss orchestras, here in the Jura with the Jura Festival Camerata, the Ensemble Symphonique Neuchâtel and, for the first time, the Graubünden Chamber Philharmonic Orchestra.
