

VACATION APARTMENTS, GROSSAFFOLTERN

STUDIO ROSE & JÖRG SCHLÄFLI

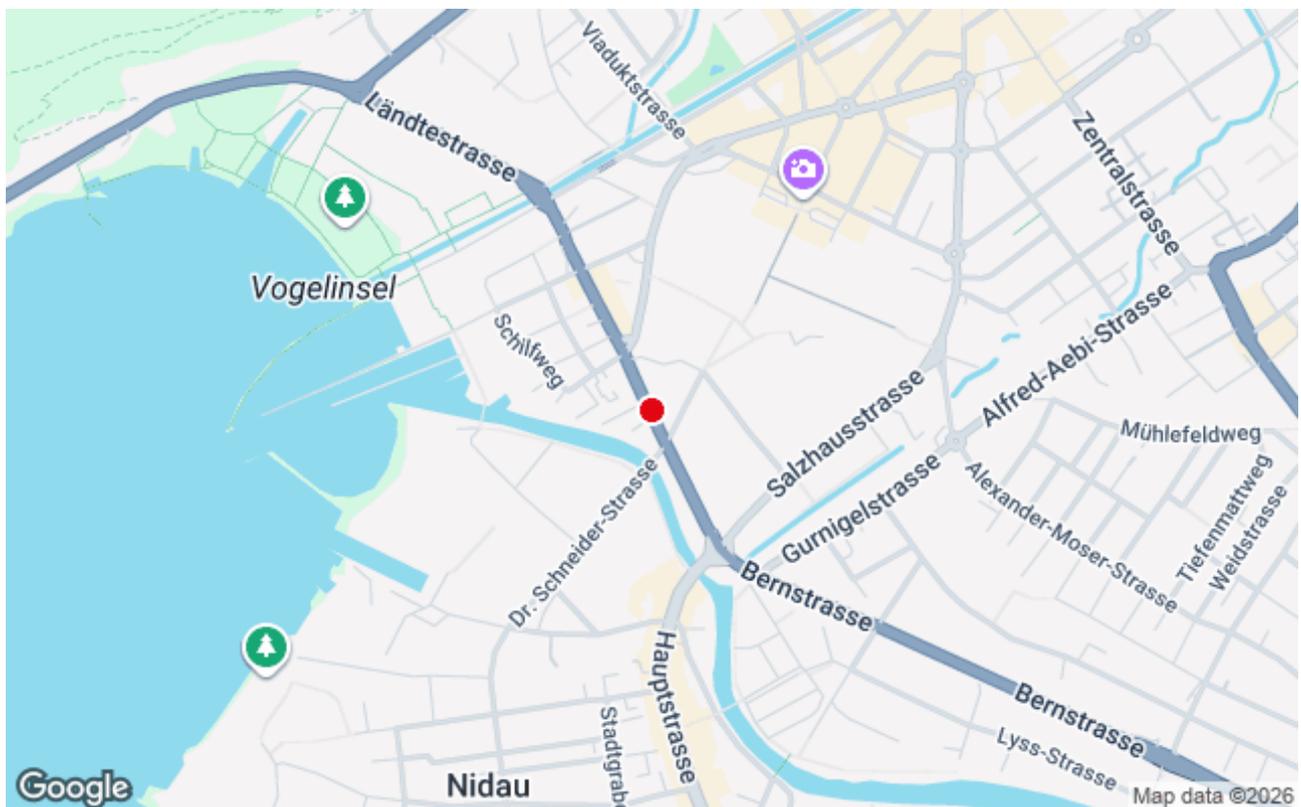

Charming studio in a lovely historic farmhouse on the edge of the village; an eagle's nest bordering the forest with a far-reaching panoramic view of the alps and the biotope, surrounded by park-like gardens and pastures where sheep graze. The property belongs to the village of Grossaffoltern, famous for its storks, which is located between Biel and Bern and is easy to reach by both car and train.
