APPARTEMENT - LA FERME DE LA GABY

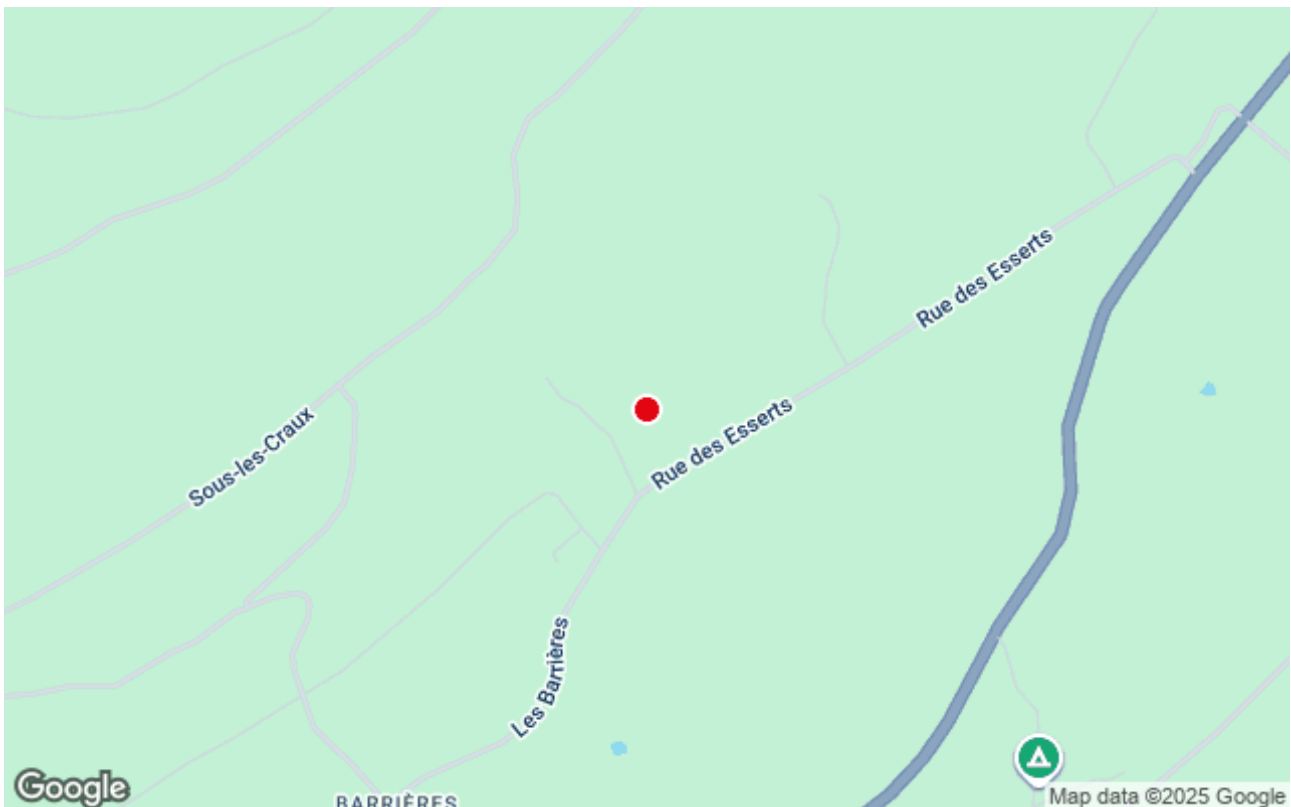

Ideally located in the heart of the Franches-Montagnes, "la ferme de la gaby" is a well-kept, renovated small farm surrounded by wooded pastures where cows and horses graze. Far from mass tourism, the high plateau of the Franches-Montagnes offers a return to nature with a horizon as far as the eye can see. Ideally situated outside the village of Le Noirmont, in the "ferme de la gaby" you will find a terrace with barbecue and a large, fully fenced lawn, ideal for letting your dog run free. The 70 m2 flat was completely renovated in 2023 and consists of a modern bathroom with washing machine, an entrance hall, a charming bedroom with double bed, a large dining room with open kitchen and a living room with large sofa bed and a wood-burning stove. Wifi and cable TV are of course available too. The fully equipped kitchen offers a coffee maker, a toaster, a raclette oven and a fondue caquelon. The location is perfect for hiking, cycling tours and cross-country skiing in winter. A gourmet stop at the excellent award-winning restaurant "La Maison Wenger" in Le Noirmont is sure to impress. In Saignelégier you will also find the large sports centre "Jura Ressort" and an indoor riding hall. For golfers, the "Les Bois" golf course offers a great 18-hole par 72 course.
