

AUTRES ÉVÈNEMENTS, ESTAVAYER-LE-LAC

SWING IN THE WIND

The street jazz festival will amaze any music lover. Saxophone, trumpet, trombone, clarinet, piano and many other instruments will rhythm these 3 days. The festivities will take place in the historic centre of Estavayer-le-Lac. Free concerts outside and near restaurants will liven up the medieval streets. It is the occasion to enjoy a good meal on the terraces and to enjoy one or more jazz concerts.
