

ART, EXHIBITION, LA CHAUX-DE-FONDS

BIENNIAL OF CONTEMPORARY ART

The 76th Contemporary Art Biennale, *Vertiges*, invites visitors to lose their footing to rise higher. Through daring and evocative works, emerging and established artists explore the world's fragility, the intoxication of desire, and inner imbalance. Between fall and elevation, the exhibition offers a visual and emotional journey where art reflects our shared sense of vertigo.

PRICES

Prices per person
