

FUN & ADVENTURE, MÖRIGEN

URSLI-HOF IN MÖRIGEN

Urs and Manuela run their Ursli farm in the time-honoured family tradition, yet with a modern twist. 'Just put something good on the table' is their daily motivation: they look with passion at the orchards, the fields and, of course, their animals.

There are currently various ponies and small horses, several dwarf goats and lots of sheep on and around the farm. In addition, there is a playground with swings, a slide, a trampoline and pedal tractors for the visitors and guests.
