FEATURED, MUNTELIER

DINE AND LIGHT - THE FANTASTIC JOURNEY

On the shores of Lake Murten, the "Dine and Light" table is set for you. Open the door of the Hotel Bad Murtensee and immerse yourself in a fantastic world of light!

During a three-hour symphony of light and delights, a 360° projection will make you forget time and enjoy the moment with all your senses. Dine and Light takes you on a journey beyond reality, where the wildest dreams become reality.

Whether on earth, under water or in the sky - let yourself be carried away into a colourful world of fantasy and enjoy an immersive culinary experience. At the centre of this voyage of discovery is a 5-course menu that will have you floating through the four elements of water, fire, earth and air.

Tables, plates, walls or waiters, every person and element in the room plays a role in the story and will delight you. One thing is for sure: the magic that will accompany you on this journey will not leave you at the end. The harmonious interaction of culinary delights and light show revitalises body and mind.dy and mind.
