# AU SOIN DE LA VIE - CHAMBRES D'HÔTES

Looking for a welcoming place with a family spirit, conviviality, and harmony?

For two nights or a longer stay?

Would you like to treat yourself to personal guidance, a moment of renewal, care, and well-being?

To relax in the garden?

Welcome to Au Soins de la Vie!

We are delighted to welcome you into our home, a late 19th-century maison de maître, ideally located close to all amenities. You will enjoy a spacious outdoor terrace, a small garden cottage, a pétanque court, and a large hand-carved wooden table set in the shade of beautiful birch trees. Our permaculture garden is home to various animals, including our beloved companion Athos, an adorable Golden Retriever.

This is a truly rejuvenating place where you can rest, relax, and wander while discovering the scents of mint, verbena, and other aromatic plants. Help yourself to fresh raspberries, currants, blueberries, figs... tomatoes, apples... Meet our tortoises, chickens, ducks, or simply sit and meditate in a cozy corner while watching our little quails. Feel like preparing a barbecue or enjoying a picnic on site? It's possible, whatever the weather!

Our guesthouse offers two carefully decorated and comfortably furnished rooms for a peaceful and pleasant stay. A shared bathroom with shower and toilet is located in the hallway between the two rooms. The YIN and YANG rooms are each equipped with a 160 cm double bed.

The interior features a warm and authentic atmosphere, blending contemporary and period furniture. The dining room and living room are at your disposal-perhaps to enjoy a cozy moment by the fireplace. You may also take this opportunity to book a personal support session (French only), a guided nature walk, a massage, an energy treatment, a well-being session in our energy room, or a group meditation session. Advance booking is recommended.

A bakery and tea room is just a 2-minute walk away, open daily from 6:00 a.m. Cyclists are welcome, with a secure closed garage available. Guests with allergies should note the presence of our four-legged friends. The house is conveniently located near the train station and public transport (train and bus), the cycle path, restaurants, and village shops-and just a short walk from beautiful nature trails.

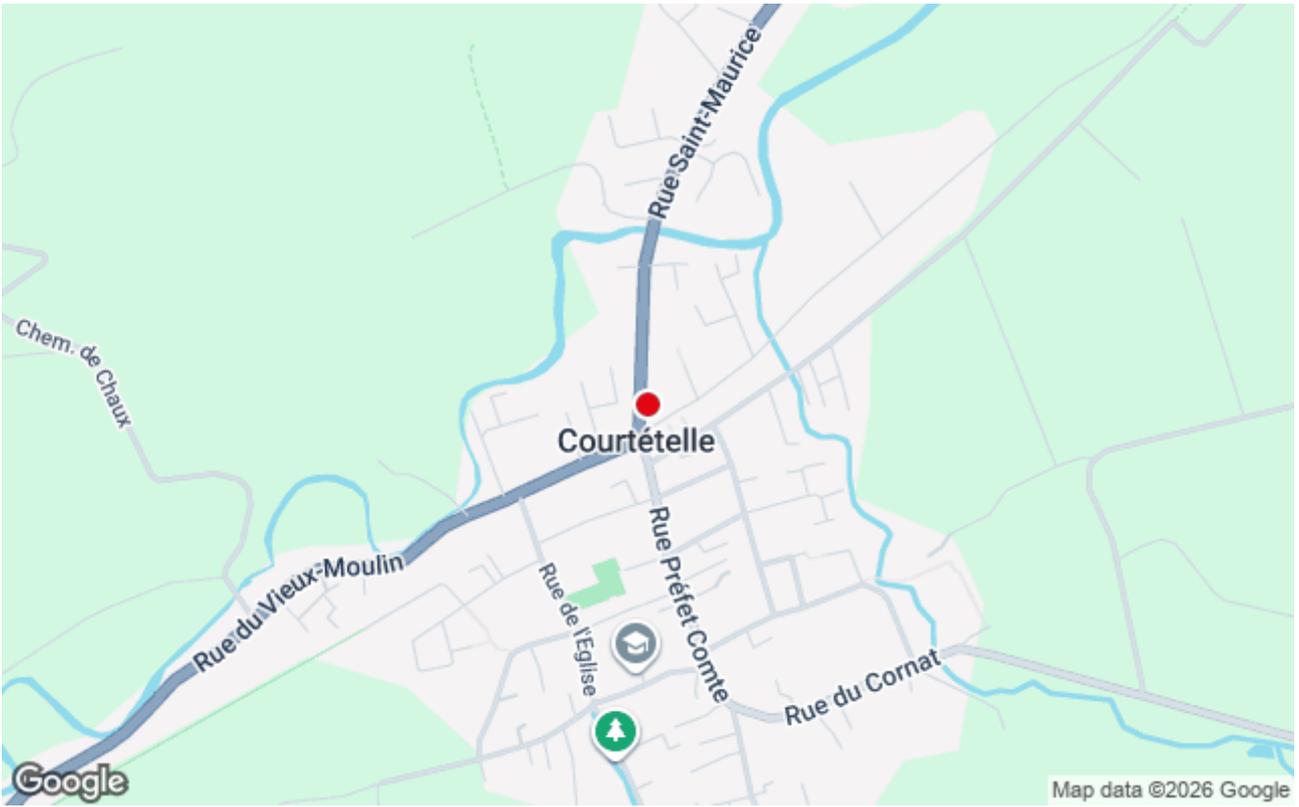

Thanks to the Jura-Pass, enjoy free public transport and discounts on many regional activities!
