THEATERS & CINEMAS, BIEL/BIENNE

NEBIA · BIENNE SPECTACULAIRE

A varied programme with national and international discoveries: French-language theatre (often with German subtitles), dance, contemporary circus, concerts and lunchtime performances. The performances take place at Nebia (500 seats), a stone's throw from the railway station, in the intimate setting of Nebia poche, a pretty vaulted cellar in the old town, and occasionally at other venues, e.g. outdoors.

GOOD TO KNOW

- With a capacity of over 500 seats, Nebia is the largest theatre hall in the region.
