“NOUVELLE PLAGE” BEACH

Its Cable ski, the only one of its kind in Switzerland, attracts watersport enthusiasts eager to try water skiing, wakeboarding or kneeboarding, and to experience new sensations on the lake. Just a few steps away, the Alphasurf water sports centre offers a wide range of activities: stand up paddling, pedal boats, or even towable tubes for those who love speed and fun.

The beach itself is designed for everyone: sunbathing areas, safe swimming zones and children’s facilities make the Nouvelle Plage a welcoming, family-friendly spot. And when it’s time to relax with food or drinks, two must-visit places await: La Dérive, a laid-back beach bar with your feet in the sand, and the Restaurant de la Plage, perfect for enjoying a meal with a view over the lake.

With its adjacent campsite, bars, events and a wide range of water sports, the Nouvelle Plage is one of the most popular destinations on Lake Neuchâtel – an unmissable spot for a summer full of fun and discoveries.
