# MINIGOLF DES POMMIERS

The Minigolf of Cudrefin owes its name to the former apple orchard, where it was set up about twenty years ago. The warm welcome, the relaxing setting and the diversified offer have made its reputation since. Indeed, the Minigolf des Pommiers offers more than merely playing this popular game, which earned it the Vaud Oenotourism certification. You can play minigolf here any time, even at night, thanks to head lamps and fluorescent balls. An original and fun moment guaranteed!

Well-prepared regional products are offered at the restaurant. You can choose the menu of the day or the tartar duo (beef and fish), the highlight of the menu card. A fun activity combined with a meal is ideal for business events or family celebrations. Several special packages tailored to individual needs are on offer.
