

NATURE, CHEVROUX

# SCAVENGER HUNT AND CHOCOLATE FONDUE

In the form of a fun game, participants discover, from Chevroux, the largest lake marsh in Switzerland and all the related themes. Questions and riddles enhance the nature walk. Investigators must demonstrate observation, reflection and memory to successfully resolve the questions of the nine posts. Their efforts are rewarded with a delicious chocolate fondue and a small gift. In short, the treasure hunt is a pleasure for young and old.
