CAMPING À LA FERME DE LA CORBIÈRE

The campsite of Ferme de la Corbière, covering approximately 8000 m² with free choice of pitches, is located in an exceptional natural setting on the southern shore of Lake Neuchâtel, on the outskirts of Estavayer-le-Lac. It offers a peaceful and relaxing environment, ideal for nature stays.

Set between fields, lake and nature reserve, the site enjoys a privileged location while remaining close to the medieval town of Estavayer-le-Lac.

A private beach is located nearby, just below the campsite, in the Grande Cariçaie nature reserve, and can be reached within a few minutes on foot.

The site offers camping pitches as well as various accommodation options, including guest rooms, dormitories and unique stays such as stilt cabins, a houseboat set on land or a family treehouse with lake view.
