SNOWMEN ON THE ROAD

The ice cube mission is underway! Participants are invited to explore the town of Estavayer-le-Lac to help the frost brigade save winter. Along the way, they will have to solve puzzles and find 10 snowmen, each guarding a secret word. Once all the clues have been gathered, they will have to piece together the mystery word and bring their answers to the Tourist Office. Five spies will then be chosen at random and will win a gourmet activity to enjoy in the region. This game, designed for families, promises a winter adventure full of mystery, laughter, and discoveries in the heart of the medieval city.
