CULTURAL HERITAGE, VAL-DE-TRAVERS

VISITS OF THE VAL-DE-TRAVERS FORTS

Twelve forts open to the public can be visited to understand the daily life of the soldiers ready to resist in case of an attack. Through a discreet forest entrance, you will penetrate into a succession of concrete corridors, firing chambers or various rooms that bear witness to the life of the soldiers. A unique opportunity to discover places kept secret for more than 70 years!
