

CELEBRATION AND FESTIVAL, AVENCHES CENTRE

AVENCHES CARNIVAL

In 2025, the Avench Carnival awaits you in your finest costumes on the theme of an extraordinary journey around the world!

On the programme, the much awaited processions will be offered on Saturday and Sunday afternoon as well as two crazy evenings with fondue, guggenmusik and confetti as usual!

Saturday afternoon is traditionally reserved for the children during the Cortège des Enfants (Children's Procession) in which all the schoolchildren of the region participate, followed by the much awaited confetti battle!

On Sunday, all the guggen meet at the Roman Arena for an aperitif concert before accompanying the unmissable Grand Cortège Humoristique which crosses the town.

Carnival pins are available from the Tourist Office for CHF 15 from mid-February.
