

CELEBRATION AND FESTIVAL, AVENCHES CENTRE

AVENCHES CARNIVAL

In 2022, after a two-year absence, the Avench Carnival is reinventing itself and organising a smaller edition of its traditional carnival, but just as festive!

On the theme of Tim Burton, the strange carnival of Wiffisburg will take place on 25 and 26 March in the courtyard of the castle. On the programme, two crazy evenings with fondue, guggenmusik and confetti as usual will be offered.

Saturday afternoon will be reserved for the children, who we hope will come in great numbers to have a confetti battle on the castle square to the sound of guggenmusik.

OPENING HOURS

From 17 Mar 2023 to 19 Mar 2023
