

WELLNESS, ALLE

# ALL'EAU TURQUOISE

The wellness area includes a hammam, an organic/dry stone sauna, an infrared sauna, a cold-water pool, a jacuzzi, a fitness area and a relaxation space with starry sky ceiling.

To complete this relaxation experience, we recommend booking per phone one of the many massages on offer.

The facility also has two guest rooms to enjoy the most relaxing of stays.

There is an option to book the spa privately.
